10th PHILIPPINE GEOGRAPHY OLYMPIAD

The Geographic Society of the University of the Philippines (GSUP), in partnership with the University of the Philippines (UP) Department of Geography, will conduct its 10th Philippine Geography Olympiad (PGO) from February 22 to 23, 2020 at the NISMED Auditorium, UP Diliman, Quezon City.

The competition aims to

1. promote the discipline of Geography among high school students;
2. introduce Geography as a discipline that deals with the study of the earth as our home, and a possible career path where students are taught skills in analyzing geographic patterns observed on the Earth's surface, as well as understanding human-environment interactions; and
3. provide a venue for high school geography enthusiasts to share their knowledge and interests in geography.

The Olympiad is open to all students from public and private secondary schools nationwide.

The winner of the competition shall have the opportunity to represent the country in the International Geography Olympiad to be held in Istanbul, Turkey.
