DEPARTMENT MEMORANDUM

No. 2020- 0117

**FOR: ALL DIRECTORS OF CENTERS FOR HEALTH DEVELOPMENT
AND OTHERS CONCERNED**

**SUBJECT: Preliminary Results of Health Facility Distribution Maps and Physical
Access Maps**

We are sharing with you the initial mapping results of the Philippine Health Facility Development Plan (PHFDP), which included the generation of health facility distribution maps per province (per city and municipality for NCR) and physical access maps for selected provinces with complete and accurate geospatial information (i.e. GPS coordinates). You may access the maps through this link: bit.ly/PHFDPMaps2020 (subject to change in future revisions).

This was done thanks to the efforts of all participating HFDUs, CHDs and DOH staff, as well as consultants from ADB that provided technical assistance to the DOH for developing the maps to be included in the PHFDP. However, please note that not all GPS coordinates were perfect, and some of the maps and tables are still under ongoing revisions. This will be finalized around 2nd quarter of 2020.

In this regard, you may send us your feedback/comments through our online feedback form (bit.ly/PHFDPMaps2020Feedback) on or before **March 20, 2020**. For further queries, kindly contact us through telephone no. 8651-7800 local 1401/1403, or email at doh.hfdb.hsdmsd@gmail.com.
