

## **Message from KOICA**

The Korea International Cooperation Agency (KOICA), established in 1991, is a governmental agency dedicated to providing Korea's grant aid programs. KOICA aims to promote amicable, cooperative relationship and mutual exchanges with developing countries by rendering support for their socio-economic development.

As KOICA envision an inclusive development through quality education for all, the signing of the Republic Act No. 11510 or "An Act Institutionalizing the Alternative Learning System in Basic Education for Out-of-School Children in Special Cases and Adults and Appropriating Therefor" signifies that we can provide all Filipinos the chance to have access to and complete basic education especially for the marginalized youth sector in the Philippines.

We, at KOICA, would like to convey our deepest gratitude to the Department of Education and UNESCO for their continuous support. It is our sincere hope that this progress will further create a sustainable change to the lives of our youth.

*Maraming Salamat po.*
