#### EDUTECH PHILIPPINES VIRTUAL 2021 OF THE TERRAPINN PTE LTD.

The Terrapinn Pte Ltd. will conduct the EduTECH Philippines Virtual 2021 from March 24 to 25, 2021.

The EduTECH Philippines Virtual 2021 will feature the following:

1. A showcase of the latest education technology solutions and innovations through a virtual exhibition;
2. 200+ case studies by inspirational educators on how to incorporate technology into classrooms, schools and institutions;
3. Live demos where attendees can fully assess solutions in just two days; and
4. Over 7,000 educators ready to help bring 21<sup>st</sup> century quality education to all in the Philippines.

The conference program will be free and consists of two tracks and eight themes featuring over 100 sessions. There will be different formats such as keynotes, presentations, Live panel discussions, Fire-side chats, Townhall discussions, and more. The themes this year are:

1. Tertiary Leadership: Navigate components of digital leadership that drive innovation in Higher Education;
2. Blended Learning: Explore the new strategies and best practices for effective Blended Learning;
3. Digital Learning: Discover the latest tools, technologies and innovation disrupting Filipino education;
4. Learning Technologies: Hear from educators sharing takeaways on technology deployment in their classrooms;
5. Smart Schools: Hear about how schools are improving learning environments with smart technologies;
6. Smart Campus: Explore how universities and higher education institutions are transforming their campus with smart technologies; and
7. Emerging Technologies: Get insights into new emerging technologies that are changing the face of Filipino education.

The participants are education leaders, policy makers, decision makers, professionals, technology partners, and stakeholders across the region to inspire, collaborate and innovate.
