The EducationUSA Office of the U.S. Embassy in the Philippines will hold its Annual EducationUSA Virtual Fair 2021 on August 7, 2021 from 10:00 a.m. to 1:00 p.m.

U.S. community colleges are a cost-effective option for students who want to avail an affordable and international college destination. It provides an opportunity to Filipino students so that they can earn meaningful information and helpful strategies on how they can earn a U.S. college degree in a small, student-friendly setting, while spending half as much money, and then have a guaranteed transfer to a top U.S. university.

This free virtual fair is open to all school administrators and high school students who would like to interact with seasoned U.S. university administrators, learn about scholarships and other financial aid, and explore exchange and full-term programs offered by U.S. universities.
