INTERNATIONAL RESEARCH CONFERENCE ON HIGHER EDUCATION 2021 OF THE POLYTECHNIC UNIVERSITY OF THE PHILIPPINES

The Polytechnic University of the Philippines, through its Vice President for Research, Extension, and Development-Research Management Office, will conduct the International Research Conference on Higher Education (IRCHE) 2021 with the theme, Leveraging the Cultural and Technological Diversity Towards New Opportunities for Industry 5.0, from December 13 to 16, 2021 via Zoom platform.

The Conference aims to establish a strong presence and impact in the international academic community through embedding a culture research in the university, along with the other reputable universities in other countries.

The expected participants are researchers, scholars, school administrators, innovators, policy makers and other members of the academic and research communities from the different government and private institutions in various countries.

Interested researchers and members of the academe are invited to submit papers for oral presentation in the conference. The paper should fall in any of the following conference streams:

- a. Science, Technology, Engineering and Mathematics (STEM);
- b. Education;
- c. Business;
- d. Humanities, Social Science and Communication; and
- e. Computer Science, Information Systems, and Technology.

The deadline for submission of abstracts is July 31, 2021, and the deadline of registration and submission of full paper is August 31, 2021.
