**A SAFER HOME FOR SAFER KIDS OF THE INTER-AGENCY COUNCIL
AGAINST CHILD PORNOGRAPHY**

The Department of Social Welfare and Development (DSWD), as Chair of the Inter-Agency Council Against Child Pornography (IACACP), in partnership with UNICEF Philippines, has successfully conducted two studies to enhance evidence on online sexual abuse and exploitation of children (OSAEC) as stated below.

1. National Study on Online Sexual Abuse and Exploitation of Children in the Philippines, and
2. Philippine Kids Online Survey.

To be able to disseminate the findings of the studies, create awareness for OSAEC, and utilize the evidence to help shape protective behavior of the public, and inform policy reform results, the launch of two studies, titled, A Safer Home for Safer Kids, will be held virtually via Zoom on July 30, 2021, in time for the World Day Against Trafficking in Persons.

Supreme Student Government (SSG) officials from different regions are encouraged to attend the launch of the two studies. It is also encouraged that learners from diverse backgrounds and sectors (e.g., children with disabilities, indigenous people, Muslim children, children with diverse SOGIE, among others) are represented during the launch. Further, slots will also be allotted for SSG advisers of the SSG officers, albeit virtually, during the activity.
