1. Column 4 of the Price Schedule Form is DepEd's estimated price per unit for each of the items in the Lot which, for purposes of the bidding, constitutes the ceiling for the price to be offered by the bidder. The unit price per item (Col. 9) should not be higher than the estimated price per unit. Any bid in violation of this rule shall be automatically reduced to the estimated price per unit.									
2. Total Bid Price (i.e. Total Lot Price) exceeding the ABC shall be a ground for the rejection of the bid.									
* In case of discrepancies between or among the Schedule of Requirements and the Price Schedule Form insofar as the lists of items and quantities are concerned, those appearing in the PRICE SCHEDULE FORM SHALL PREVAIL.									

**Rates and prices for all the lots described in the Technical Specifications and Schedule of Requirements shall be indicated, therefore, all columns shall be filled-out. Where a required item is provided, but no price is indicated, the same shall be considered as non-responsive and, thus, automatically disqualified. Specify that items are being offered for free to the government by indicating dash (-) or zero ("0") or not applicable (N/A).
