1st NATIONWIDE ONLINE CODING COMPETITION
OF THE MALAYAN HIGH SCHOOL OF SCIENCE

The Malayan High School of Science will conduct the 1st Nationwide Online Coding Competition titled “Algorithm of Welfare: Coding the Smart Path to Wellness and Health,” from January 10 to March 4, 2022.

This event aims to provide opportunities for the participants to:

1. Gain new experience in competitive programming;
2. Develop comradery amongst other participants during the competition;
3. Acquire new knowledge and skills in developing programs and applications;
4. Provide an innovative platform of understanding coding for wellness and health; and
5. Initiate transformative solutions to emerging problems through programming.

The competition has the following categories:

1. Bit (for Grades 5 and 6 students), and
2. Byte (for Grades 7–9 students).

For the guidelines of the competition, you may access the website via <https://codingmhss.wixsite.com/algorithmofwelfare>.
