EXTENSION OF APPLICATIONS FOR THE 2022 DEPARTMENT OF SCIENCE
AND TECHNOLOGY-SCIENCE EDUCATION INSTITUTE
UNDERGRADUATE SCHOLARSHIP PROGRAM

The Department of Science and Technology-Science Education Institute (DOST-SEI) extended the deadline of filing applications for the DOST-SEI Undergraduate Scholarship Program until January 31, 2022.

DOST-SEI gives this extension in consideration to the applicants devastated by Typhoon Odette and those who have yet to complete their applications.

In consideration thereof, DOST-SEI will not conduct a scholarship examination for this batch, instead, DOST-SEI has included as part of the requirements a copy of Form 137 or Form 138 (from Grade 9 to Grade 11), which will be requested from their respective schools.

The applicants are requested to encode and upload their grades in the E-Application System when they file their applications. Schools are hereby requested to issue Forms 137 and 138 to the scholarship applicants.

2022 DOST-SEI Undergraduate Scholarship is still accepting applications online through the link <https://usas.science-scholarships.ph/#/register>.

For any clarifications, you may contact DOST-SEI through Ms. Ma. Nerissa M. Nicolas at mobile phone number 0956-920-2752.
