CHECK MARKS THE SPOT 2021–2022 OF THE UNIVERSITY OF THE PHILIPPINES
CHEMICAL ENGINEERING SOCIETY

The University of the Philippines Chemical Engineering Society (UP KEM) will hold the Check Marks the Spot for the School Year 2021-2022 with the following events:

Date	Event	Objective	Target Participants
February 12, 19, and 26, 2022	Catalyst '22 Theme: Boosting healthcare capacity and accessibility	To provide a platform for the youth to present their insights about the Philippines' current problems and showcase their creativity in coming up with solutions that can aid national development	Grades 7–12 all over the country
April 2022	Compass	To inspire high school students featuring professionals who are knowledgeable about Science, Technology, Engineering, and Mathematics (STEM) and related fields to pursue careers under the said track	Grades 9–12 from public and private schools

Participation of public and private schools shall be subject to the no disruption of classes policy stipulated in DepEd Order No. 9, s. 2005 entitled, "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."
