**CLARIFICATIONS TO THE QUERIES OF THE PROSPECTIVE BIDDERS**

<b>Item No.</b>	<b>Clarification</b>	<b>BAC's Response</b>
1	This is to clarify regarding 'similar goods' for this project, will DepEd accept 'bank security cards with holographic security feature' as 'similar goods' for the similar contract requirement of the bid?	Yes, as long as the supplier's previous contracts are similar to the supply and delivery of security products with holographic features, QR code, and/or other related technology. In this case, the technology used in bank security cards is similar to the technology used in QR Code Tamper Proof Holographic Sticker.
