Guidelines on Enrollment for School Year 2022-2023 in the Context of the Re-Introduction of the In-person Classes

I. Rationale

The unprecedented success of the pilot implementation and progressive expansion of in-person classes provide DepEd with concrete evidence and solid experience on how to safely reopen the schools nationwide. Consistent with the provisions of DO No. 34, s. 2022 and in preparation to the the resumption of the 5 days in-person classes that will start on November 2, 2022, the Department considered the conduct of the in-person enrollment in schools.

For the past two (2) school years, remote enrollment has been largely implemented as the main enrollment procedure due to the restrictions imposed by the health authorities. Within these periods, learners can be enrolled through phone calls, text messages, online messaging through the platforms of Facebook Messenger, Viber, and email messaging. Dropbox enrollment was also one of the options given to parents/legal guardians who have been affected by the health alert levels implemented in the various parts of the country.

The enrollment process is one of the key activities of DepEd conducted in preparation for the school year opening. In light of this, the DepEd issues these **Guidelines on Enrollment for School Year 2022-2023 in the Context of the Re-introduction of the In-person Classes** in order to enhance the procedure and clarify the roles of key stakeholders in the enrollment process. The guidelines will also introduce improvements in the reporting mechanisms, the Enhanced Basic Education Enrollment Form (BEEF), and the encoding procedure in the Learner Information System (LIS).

II. Scope

These guidelines shall provide guidance to school heads, teachers, and parents/legal guardians regarding the new enrollment process for SY 2022-2023, which will start on **July 25, 2022 to August 22, 2022**.

The procedures and policies set forth under these guidelines shall be adopted by all public schools in basic education including Alternative Learning System (ALS). State/Local Universities and Colleges (SUCs/ LUCs) offering basic education and private schools in basic education are encouraged to adopt this policy to their specific contexts.

These guidelines shall apply for SY 2022-2023. The provisions on **DO No. 03, s. 2018**, which discusses the eligibility and documentary requirements in the registration, tagging, and enrollment-recording protocols shall remain in effect.

Modified ALS Form 2 (*Annex 2*) shall be used for this purpose. This form will be made available in digital and physical format. The summary of the ALS enrollment shall be submitted by each mobile teacher to the Education Program Specialist for ALS (EPSA).

A. Protocol for Enhanced General Enrollment

This section guides teachers and school administrators in determining how to implement the enhanced general enrollment and provides procedures under major stages in this process—pre-data collection, data collection, and data retrieval.
