

LIST OF ISSUES & CONCERNS

	<i>Prospective Bidder</i>		<i>Provision</i>	<i>Description</i>	<i>Specification</i>	<i>Appeals/Requests</i>	<i>BAC's Decision</i>
1	Columbia Technologies	1	Section I. Invitaitoin to Bid	Deadline for Submission	As discussed during the pre-bid conference, the deadline for submission and opening of bids will be on January 25, 2024 at 8:30 A.M.	We would like to request that the bid submission be moved to 1st week of February as most of our Regional Authorized Service Center's Business Permits for 2024 will only be available by last week of January. Otherwise, we would like to request that applications for 2024 Business Permit with Official Receipt be acceptable for our Authorized Service Centers.	Please refer to Bid Bulletin No. 2
	Columbia Technologies Inc.	2	Section VII. Technical Specifications	Authorized Service Center	As discussed during the pre-bid conference, the requirement for the authorized service centers will be amended to: e.The bidder must have authorized service centers in atleast two (2) different provinces and one (1) in the capital city of each region they are bidding for. In the case of National Capital Region (NCR), bidder must submit atleast three (3) authorized service centers in three different cities.	For uniformity purposes, we would like to request the BAC to identify the capital city of each region.	Please refer to Bid Bulletin No. 2
	Columbia Technologies Inc.	3	Schedule of Requirements	Delivery Sites	Goods shall be delivered and inspected at the Recipient Schools Offices.	We would like to request the BAC to provide the Allocation List.	Please refer to Annex D of the Bidding Documents
	Columbia Technologies Inc.	4	Section VII. Technical Specifications	Processor	As discussed during the pre-bid conference, the processor will be amended to: Laptop Class processor CPU Mark score of 14,500 or higher *based on CPU benchmarking at https://www.cpubenchmark.net/laptop.html *as of January 5,2024	May we request that an actual CPU mark test done during the Physical Evaluation of samples be the basis of the CPU benchmark website. The basis of the said website is only averaging the scores submitted by different users using different laptops with different system configurations but with the same processor model. For accuracy purposes, it would be fair for processor brands to have an actual CPU mark testing using DepEd's actual laptop configuration. Please note that CPU mark test also varies depending on the specifications of the laptop.	DepEd may test the actual CPU mark during sample testing but the reference for processor should be in the list of passmark benchmarking provided (Appendix C of Bid Bulletin No. 2).
2	JODAAAR CORPORATION	5	Section I. Invitaitoin to Bid	Deadline for Submission		May we request for the extension of bid opening of the above captioned subject from January 25, 2024 to February 8, 2024, because there are certain requirements that remain unclear as of this time specifically on your Terms of Reference.	Please refer to Bid Bulletin No. 2
3	JONECOTECH MARKETING CORP.	6	Section VII. Technical Specifications	Processor	During the pre-bid conference as discussed, the processor will be: Laptop Class Processor CPU Mark score of 14,500 or higher *based on CPU benchmarking at https://www.cpubenchmark.net/laptop.html	May we request that the basis of CPU Benchmarking score 14,500 or Higher will be done during Demo/Sample testing as this is more accurate and acatural hardware test result compared to the CPU benchmark website.	DepEd may test the actual CPU mark during sample testing but the reference for processor should be in the list of passmark benchmarking provided (Appendix C of Bid Bulletin No. 2).
	JONECOTECH MARKETING CORP.	7	Section VI. Schedule of Requirements	Delivery Sites	Goods shall be delivered and inspected at the Recipient Schools Offices.	May we request for allocation list.	Please refer to Annex D of the Bidding Documents
	JONECOTECH MARKETING CORP.	8	Section VII. Technical Specifications	Authorized Service Center	"The bidder must have authorized service centers in at least two (2) different provinces and one (1) in the capital city of each region they are bidding for. In the case of National Capital Region (NCR) bidder must submit at least three (3) authorized service centers in three different cities. The bidder shall provide the list of authorized service centers".	In this regard, can you please confirm that a bidder must provide 3 services centers in the region they are bidding. May we be clarified of the service centers located in different provinces, does this mean that the service center/s maybe located in a municipality, not necessarily city, or capital of the province in the region we are bidding for? Also, may we be clarified of the service center located in the capital city of each region we are bidding for, does this mean to be limited to metro manila, metro cebu, and metro davao, how about other regions? Can you cite some exaple.	The three (3) Service Centers should be in the three different provinces (except for NCR), and one (1) of the three (3) service center should be in regional center (list provided) of the province for every lot/s joined.
	JONECOTECH MARKETING CORP.	9	Section I. Invitaitoin to Bid	Deadline for Submission		May we request that the bid submission be moved to February due to most of our Authorized Service Center's Mayor's Permit for year 2024 will be available by last week of January.	Please refer to Bid Bulletin No. 2
