CALL FOR SUBMISSION OF ENTRIES FOR THE ZAYED SUSTAINABILITY PRIZE

The Zayed Sustainability Prize, United Arab Emirates' (UAE) pioneering global award for recognizing excellence in sustainability, is now accepting submissions of entries for the 2024 cycle.

Established in 2008, the Zayed Sustainability Prize aims to drive sustainable development and humanitarian action by recognizing and rewarding small and medium-sized enterprises, nonprofit organizations, and high schools that are delivering impactful, innovative, and inspiring solutions in the categories of health, food, energy, water, and global high schools.

The global high school category is split into six world regions:

1. The Americas,
2. Europe and Central Asia,
3. Middle East and North Africa,
4. Sub-Saharan Africa,
5. South Asia, and
6. East Asia and Pacific.

Winners of the 2024 Zayed Sustainability Prize will be announced at an Awards Ceremony during the United Nations Climate Change Conference's (UNFCCC's) 28th Meeting of the Conference of the Parties (COP28) Climate Summit.

The public and private high schools across the country are invited to submit their entries in one of the categories of health, food, energy, water and global high schools.

The deadline for submission of entries is on May 2, 2023. Candidates may submit their entries through the Prize's online portal:
<https://entry.zayedsustainabilityprize.com/ZSPRegistration>.
