RESEARCH FAIR 2024 OF THE UNIVERSITY OF THE PHILIPPINES ACADEMIC  
LEAGUE OF CHEMICAL ENGINEERING STUDENTS INC.

The University of the Philippines Academic League of Chemical Engineering Students Inc., a duly registered academic organization from the UP Diliman College of Engineering, will conduct Research Fair 2024 with the theme, PERSPICAX: Unleashing the Scientific Prowess of the Filipino Youth, on February 1-3, 2024.

In its 23rd year, Research Fair 2024 continues its campaign of driving the passions of the youth and maximizing their potential towards scientific innovation and excellence. The event marks the return to a face-to-face format with the following sub-events:

Title of Event	Objective
<p>Research Competition</p> <p>It is the core of the Research Fair. It celebrates the innovation, creativity, and scientific aptitude displayed by the participants on their research projects.</p>	<ul style="list-style-type: none"> <li>• Provides an avenue for high school students to promote their talents and scientific discoveries to their fellow peers, teachers, and the scientific community</li> <li>• Showcases what Filipino high school students can achieve through science and technology (S&amp;T)</li> <li>• Encourages healthy discourse between students and professionals</li> <li>• Promotes scientific professionalism and appreciation of S&amp;T among the youth</li> <li>• Develops the capabilities of high school students in discovery and innovation through exposure to the field of research</li> </ul>
<p>National Science Conquest</p> <p>A friendly competition that tests participants' knowledge and understanding of the various branches of science. Contestants go through various quiz bees and examinations to determine who reigns champion.</p>	<ul style="list-style-type: none"> <li>• Distinguishes students with scientific proficiency</li> <li>• Recognizes emerging scientific discoveries and fields</li> <li>• Promotes science and technology to students, as well as to the general public</li> </ul>
<p>Youth Science Convention</p> <p>A series of talks, webinars, and workshops where experts recognized in their scientific fields impart their knowledge and expertise to participants.</p>	<ul style="list-style-type: none"> <li>• Enkindles a love and passion for research and science into the participants</li> <li>• Explores the significance of conducting research and its application in the industry and in different scientific fields</li> <li>• Helps the youth develop practical skills that will not only aid them in future research but in many facets of their daily lives</li> </ul>

Participation of learners and teachers from public and private schools shall be purely voluntary and will not hamper instructional time in compliance with the provisions of DepEd Order (DO) No. 022, s. 2023 titled Implementing Guidelines on the School Calendar and Activities for the School Year 2023–2024 and DO 9, s. 2005 titled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith and the policy on off-campus activities stated in DO 66, s. 2017.
