(Enclosure to DepEd Order No. 09, s. 2018)

**IMPLEMENTING GUIDELINES ON THE RELEASE AND UTILIZATION
OF MAINTENANCE AND OTHER OPERATING EXPENSES
ALLOCATIONS OF SENIOR HIGH SCHOOLS**

I. Rationale

1) The *Enhanced Basic Education Act of 2013* (Republic Act No. 10533) expands the basic education system from a 10-year to a 13-year program with the addition of one year of Kindergarten and two years of Senior High School (SHS).

2) The SHS MOOE funds were lodged in the Central Office under Operations of Schools – Senior High School in the FYs 2016, 2017 and 2018 General Appropriations Act (GAA). This budget shall be released to schools, through their Schools Division Offices (SDOs), based on the guidelines provided herein.

3) This DepEd Order aims to: i) provide guidance to all public SHS on the release and the utilization of their school MOOE; ii) ensure timely and optimal use of school resources, and iii) institute mechanisms for transparency and accountability.

4) It is based on the following legal bases: (i) Department of Budget and Management (DBM) and DepEd Joint Circular No. 2004-1 dated January 01, 2004, entitled “*Guidelines on the Direct Release of Funds to DepEd-Regional Offices and Implementing Units*”, (ii) Section 10, Republic Act No. 9155 (Governance of Basic Education Act of 2001), which provides that the appropriations intended for the regional and field offices (elementary/secondary schools and Schools Division Offices [SDOs]) are to be allocated directly and released immediately by DBM to the said offices, and (iii) Section 11, Republic Act No. 10533 (Enhanced Basic Education Act of 2013), which provides that appropriations for the operationalization of the enhanced basic education be included in the Department’s budget.

II. Scope of the Policy

5) This DepEd Order provides the mechanisms, procedures, and standards for the release, utilization and liquidation of School MOOE for all public SHS nationwide. This also defines the roles and responsibilities of each level of governance in managing school MOOE.

III. Policy Statement

6) The DepEd hereby establishes the mechanisms, procedures and standards in the utilization of school MOOE that shall be followed strictly by public SHS in the country. This policy also promotes equity, transparency and accountability.

IV. Procedures

A. Release of Funds from the DepEd Central Office

7) The 2018 budget for school MOOE lodged in the Central Office under Operations of Schools – Senior High School represents the funding requirements of schools offering the SHS Program for January to December 2018.

8) The budget for SHS MOOE was computed based on: (i) a per capita cost derived from the rationalized formula for school MOOE applied to Junior High Schools in 2018, and (ii) on the estimated enrolment based on the data on actual enrollment for School Year 2017-2018 on the Learner Information System (LIS) as of November 2017. The FY 2018 SHS MOOE allocations per school are attached as **Annex A**.

9) School MOOE allocations of all public SHS, such as SHS in existing junior high schools, SHS within elementary schools, and stand-alone SHS in new sites, regardless if they are implementing units¹ or non-implementing units², shall be released through Sub-Allotment Release Order (Sub-ARO) to the SDOs.

B. Release of Funds from the Schools Division Office (SDO)

10) Upon receipt of sub-ARO from Central Office, the SDO shall immediately request for issuance of Notice of Cash Allocation (NCA) from the DBM Regional Office concerned to ensure that cash advances are released promptly to schools, supported by a Monthly Disbursement Program (MDP) to reflect the timing of the need for cash allocation.

11) The SDO shall ensure that MOOE allocations of all public SHS are fully downloaded to the respective heads of schools through cash advance using the replenishment method. Said replenishment must be made within three (3) working days upon receipt of the liquidation report, subject to availability of cash allocations.

12) As a general rule and consistent with DepEd Order No.13, s.2016, SDOs are prohibited from undertaking centralized procurement of any good or service out of school MOOE intended for distribution to schools in kind. In extreme cases, however, such as when the school head or school's accountable officer cannot receive additional cash advance, the SDOs may procure items using school MOOE, provided that they submit a report to their respective Regional Office (RO) and to

¹ An implementing unit (IU) administers its own funds since it has bookkeeper and disbursing officer plantilla positions which handle bookkeeping and cashiering functions. IUs with agency codes are authorized to open MDS Sub-Accounts in authorized government depository banks and cash allocations are directly issued by the DBM to their respective sub-accounts.

² A non-implementing unit (non-IU) does not have its own financial staff and receives its allocations of school MOOE from their respective SDOs in the form of cash advance.

the Office of the Secretary (OSEC), through the Offices of the Undersecretary for Finance-Budget and Performance Monitoring and Undersecretary for Planning and Field Operations, explaining or presenting:

- 12.1. the need for such items;
- 12.2. the nature, type, quantity, and price of the items listed by the receiving school; and
- 12.3. the estimated price difference between the SDO and school procurement, and the name of the supplier, including the mode of procurement used.

C. Responsibilities of Public SHS

- 13) The public SHS shall:
 - 13.1 Prepare and update its monthly physical and financial plan, mindful of adjustments that may arise given the actual number of students who will enroll in SY 2018-2019.
 - 13.2 Ensure that its accountable officers have duly applied for bonding with the Bureau of Treasury, Fidelity Bond Division;
 - 13.3 Draw cash advance from its supervising/directing SDO for its MOOE requirements;
 - 13.4 Submit to the SDO on or before the 5th day of the following month the original copy of the Cash Disbursement Register (CDR), the paid Disbursement Vouchers (DVs) and all supporting documents which shall serve as liquidation or replenishment of the cash advance granted. Subsequent cash advances shall be granted only upon receipt of the CDR equivalent to at least 75% of the previous cash advance. It is reiterated, however, that any remaining cash advance at the end of the year must be liquidated in full and unexpended balances refunded; and
 - 13.5 Disburse funds in accordance with the existing budgeting, accounting, procurement, and auditing rules and regulations.

D. Uses of School MOOE

- 14) To fund activities as identified in the approved SHS Implementation Plan;
- 15) To support expenses for school-based training and activities that are selected or designed to address the most critical needs that will improve learning outcomes in the school as well as official school meetings, such as but not limited to, Learning Action Cells (LAC) and Continuous Improvement (CI) activities;
- 16) To finance expenses pertaining to graduation rites and recognition activities;
- 17) To procure supplies and other consumables for teachers and students deemed necessary in the conduct of classes;

18) To fund minor repairs of facilities, building and grounds maintenance and the upkeep of the school;

19) To fund rental and minor repairs of tools and equipment deemed necessary for the conduct of teaching and learning activities;

20) To fund rental of facilities for the conduct of classes;

21) To pay for wages of full-time utility, building and grounds maintenance, messengerial, janitorial, transportation/mobility and security services;

22) To pay for utilities (electricity and water and gas for workshop laboratories) and communication (telephone and Internet connectivity) expenses; and

23) To pay for reproduction of teacher-made activity sheets and other resources that may be downloaded from the Learning Resource Management and Development System (LRMDS) portal, which support differences in learning among students.

24) The school MOOE may be used to procure small capital expenditure items worth below PhP15,000, as provided in the new Government Accounting Manual issued by the Commission on Audit.

25) In no case shall the school MOOE be used for the procurement of school seats, and teacher's tables and chairs, **except** for school furniture which are not procured/provided by the Central, Regional or Schools Division Offices. These may include laboratory and workshop furniture. In no case shall the school MOOE also be used for the procurement of textbooks and other instructional materials, even if these expenditures are contained in the SHS Implementation Plan. In this regard, instructional materials include publications, periodicals, and review materials.

26) The uses of SHS MOOE being proposed by the school head must be reflected in the school's Work and Financial Plan, format hereto attached.

V. Reporting Requirements

27) Consistent with the reporting requirements outlined in DepEd Order No.13, s. 2016, all SHS principals/school heads/teachers-in-charge shall:

28) SHS in existing JHS and SHS within elementary schools shall prepare separate financial reports for SHS MOOE apart from their regular school MOOE allocations. These reports shall be submitted to SDOs at the end of each month. The existing accounting and auditing rules and regulations shall govern the liquidation process.
