I. Brief History of the Philippine Education System

Education in the Philippines has undergone several stages of development from the pre-Spanish times to the present. In meeting the needs of the society, education serves as a focus of emphases/priorities of the leadership at certain periods/epochs in our national journey as a race.

2001 - present	Department of Education	Secretary	RA 9155, August 2001 (Governance of Basic Education Act)

In 1947, by virtue of Executive Order No. 94, the Department of Instruction was changed to the Department of Education. During this period, the regulation and supervision of public and private schools belonged to the Bureau of Public and Private Schools.

In 1972, it became the Department of Education and Culture by virtue of Proclamation 1081 and the Ministry of Education and Culture in 1978 by virtue of P.D. No. 1397. Thirteen regional offices were created, and major organizational changes were implemented in the educational system.

The Education Act of 1982 created the Ministry of Education, Culture and Sports which later became the Department of Education, Culture and Sports in 1987 by virtue of Executive Order No. 117. The structure of DECS as embodied in EO No. 117 has practically remained unchanged until 1994 when the Commission on Higher Education (CHED), and 1995 when the Technical Education and Skills Development Authority (TESDA) were established to supervise tertiary degree programs and non-degree technical-vocational programs, respectively.

The Congressional Commission on Education (EDCOM) report provided the impetus for Congress to pass RA 7722 and RA 7796 in 1994 creating the Commission on Higher Education (CHED) and the Technical Education and Skills Development Authority (TESDA), respectively.

The trifocal education system refocused DECS' mandate to basic education which covers elementary, secondary and non-formal education, including culture and sports. TESDA now administers the post-secondary, middle-level manpower training and development while CHED is responsible for higher education.

In August 2001, Republic Act 9155, otherwise called the Governance of Basic Education Act, was passed transforming the name of the Department of Education, Culture and Sports (DECS) to the Department of Education (DepEd) and redefining the role of field offices (regional offices, division offices, district

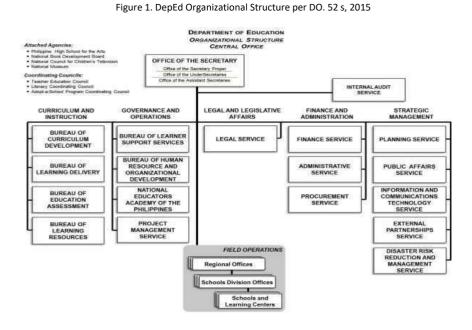

offices and schools). RA 9155 provides the overall framework for (i) school head empowerment by strengthening their leadership roles and (ii) school-based management within the context of transparency and local accountability. The goal of basic education is to provide the school age population and young adults with skills, knowledge, and values to become caring, self-reliant, productive and patriotic citizens.

DepEd Management Structure

To carry out its mandates and objectives, the Department is organized into two major structural components. The Central Office maintains the overall administration of basic education at the national level. The Field Offices are responsible for the regional and local coordination and administration of the Department's mandate.

In 2015, the Department underwent a restructuring of its office functions and staffing. The result of which was the Rationalization Plan for the new organizational structure. Details of the new structure are further explained in DepEd Order No. 52, series 2015 also known as the New Organizational Structures of the Central, Regional, and Schools Division Offices of the Department of Education.

Following the Rationalization Plan structure, the Office of the Secretary (OSEC) at the Central Office oversee and manages five (5) different strands and supported by bureaus, services, and divisions. DepEd operates with nine (9) Undersecretaries and five (5) Assistant Secretaries in the following areas:

DenED

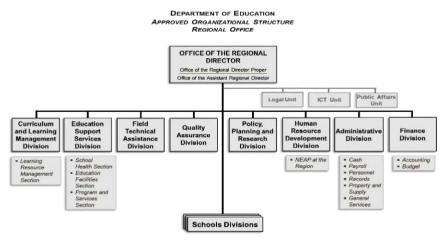

- Curriculum and Instruction
- Finance and Administration
- Governance and Operations
- Legal and Legislative Affairs
- Strategic Management
- Field Operations

Five (5) attached agencies:

REGIONAL OFFICE

At the sub-national level, the Field Offices consist of the following:

 Seventeen (17) Regional Offices including the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM*), each headed bya Regional Director (a Regional Secretary in the case of BARMM).

 Two hundred twenty-six (226) Schools Divisions Offices headed by aSchools Division Superintendent, and two thousand six hundred forty-five (2,645) schools districts.

Under the supervision of the Schools Division Offices are 47,533 public schools, Note that data provided is as of July 12, 2022.

II. Mandate

The Department of Education was established through the Education Decree of 1863 as the Superior Commission of Primary Instruction under a Chairman. The Education agency underwent many reorganization efforts in the 20th century to better define its purpose vis a vis the changing administrations and charters. The present-day Department of Education'smandate was established through Republic Act 9155, otherwise known as the Governance of Basic Education Act of 2001.

The RA substantially provides that the Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs and projects in the areas of formal and non-formal basic education. It supervises all elementary and secondary education institutions, including alternative learning systems, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

DepEd Order No. 55, s. 2016 entitled Policy Guidelines on the National Assessment of Student Learning for the K to 12 Basic Education Program, stated that DepEd, through the Bureau of Education Assessment (BEA), shall conduct the Philippine Education Placement Test (PEPT). The test is a nationally administered assessment for learners in special circumstances. The result of this assessment will allow these learners to: a) access or resume schooling and/or b) obtain certification of completion by grade level in the DepEd formal system. Specifically, it aims to fulfill the following purposes:

- To establish that students have met learning standards for specific grade levels
- To determine the appropriate grade level of learners in special circumstances in the formal school system
- To assess competencies in academic areas gained through informal and nonformal means for entry or reentry into formal school
- To assess competencies in academic areas for entry or reentry to formal schools

The test must not be used for grade-level acceleration but for the purposes only.

To avail of the PEPT, learners may register either (1.1) Onsite via a physical visit to the BEA at the DepEd Central Office (CO) or (1.2) Online via a Google link. The PEPT is administered either Onsite at the DepEd CO or (1.3) through a Computer-Based (CB) Test – (examinee shall take the test online via Live Remote Proctoring).

No call for submissions was made in 2022.

³ The National Educators Academy of the Philippines (NEAP) is committed to the professional growth and lifelong learning of itsteachers and school leaders. The quality of professional development programs and courses shall be assured through a Recognition System that requires alignment to professional standards for teachers and school leaders, responsiveness to identified professional development priorities, promotion of dynamism, innovation and application at the classroom level, and transparency and consistency.

Hence, the evaluation is not a ministerial function. It does not simply look at the presence or absence of a document but requires a closer examination of the details of the documents. It necessitates appropriate knowledge and skills across different contents as well as leadership and managerial concepts to undertake Authorization and Recognition processes. Evaluation of programs in particular requires domain knowledge as well as knowledge and understanding of PD program/course design and development.

DepEd-wide or nationwide official issuances are released by the DepEd Central Office to help make the DepEd community and its clients make informed decisions and take appropriate action on education-related matters. A DepEd Memorandum (DM) disseminates instructions, information or related matters including creation of committees, announcement of celebrations, conferences/seminars, and reiteration of regulations or laws issued by DepEd. On the other hand, a DepEd Order containspolicies promulgated by the Central Office and is usually long term in nature unlessrescinded or amended by another DO. Due to the COVID-19 pandemic, majority of the steps for this service are now completed online.

SCHOOLS - INTERNAL SERVICES

1. Issuance of Special Order for Service Credits and Certification of Compensatory Time Credits

Vacation service credits are given for work beyond regular functions or beyond regularwork hours/days where payment of honorarium or overtime pay is not possible. In addition, there are situations where extraordinary work is demanded from teachers including those which expose their lives to certain risks and for which monetary compensation is not enough. Thus, extra non-monetary compensation is justified.
